WHEREAS, the described access road qualifies for funding under the legislation creating the Alabama Industrial Access Road and Bridge Corporation.

NOW, THEREFORE, the parties hereto, for, and in consideration of the premises stated herein do hereby mutually promise, stipulate, and agree as follows:

Attachment: Attachment A--Industrial Access Agreement for Cartech (314-16 : IAR Agreement with ALDOT with Cartech)

- (1) The CITY will furnish all right-of-way for the above noted improvement Project without cost to the STATE.
- (2) The CITY will adjust and/or relocate all utilities on the Project without cost to the STATE.
- (3) The CITY will make the survey, complete the plans, and furnish all preliminary engineering for the Project with CITY forces or by consultant without cost to the STATE. Completed original plans will be furnished to the STATE prior to the CITY letting the contract. The CITY shall follow the guidelines for operations for procedures for processing STATE and industrial access-funded COUNTY and CITY projects dated February 14, 2001. Said guidelines are attached hereto and made a part of this Agreement.
- (4) The CITY will accomplish or cause the work to be accomplished in compliance with all applicable laws of the STATE and the CITY and applicable federal laws, regulations and requirements.
- (5) The CITY will furnish all construction engineering for the Project from CITY forces or by consultant as part of the cost of the Project.
- (6) The CITY or CITY's consultant will furnish the necessary inspection and testing of materials when needed as part of the cost of the Project.
- (7) The STATE will have general supervision of the Project by making periodic inspections and final acceptance of Project work and the cost therefore will be deemed a part of the Project cost.
- (8) Invoices of the CITY for actual cost of work performed will be forwarded to the STATE as work progresses and the CITY will be paid the proportionate share of such cost in proportion to the STATE's prorated portion of total Project cost, to be paid with

CORPORATION funds. Any work authorized before the execution of this Agreement will not be eligible for reimbursement.

- (9) The CITY will immediately cause all work on the Project to cease upon notification if the Project work is not being accomplished in accordance with the plans and/or this Agreement. Financial participation by the STATE will be with CORPORATION funds limited to \$598,000. The estimated cost and participation by the various parties are as follows:

	Total Estimated <u>Cost</u>	Total Estimated CORPORATION <u>Funds</u>	Total Estimated CITY <u>Funds</u> All Cost in <u>Excess of</u>
Construction (including Engineering and Inspection)	<u>\$598,000</u>	<u>\$598,000</u>	
TOTAL	\$598,000	\$598,000	\$598,000

It is understood the above is an estimate only and all Project cost in excess of \$598,000 will be borne and paid by the CITY. - (10) The Southeast Region of the Alabama Department of Transportation will be the lead agency for the STATE relative to the work under this Agreement and will be point of contact for the CITY.
- (11) The performance of the work covered by this Agreement will be in accordance with the current regulations and requirements of the STATE.
- (12) Upon completion and acceptance of the work by the STATE, the CITY will assume full responsibility for maintenance of that part of the facility which is not part of the STATE Highway Maintenance System.

- (13) It is clearly understood by both parties that the STATE does not commit any STATE funds beyond those CORPORATION funds mentioned herein.
- (14) A final audit will be made of all Project records after the completion of the Project and a copy will be furnished to the Department of Examiners of Public Accounts, in accordance with Act 1994, No. 94-414. A final financial settlement will be made between the parties as reflected by the final audit.
- (15) Subject to the limitations on damages applicable to municipal corporations under Ala. Code § 11-47-190 (1975), the CITY shall indemnify, and hold harmless the State of Alabama, the Alabama Department of Transportation, its officers, officials, agents, servants, and employees from and against (1) claims, damages, losses, and expenses, including but not limited to attorney's fees arising out of, connected with, resulting from or related to the work performed by the CITY, or its officers, employees, contracts, agents or assigns; (2) the provision of any services or expenditure of funds required, authorized, or undertaken by the CITY pursuant to the terms of this Agreement; or (3) any damage, loss, expense, bodily injury, or death, or injury or destruction of tangible property (other than the work itself), including loss of use therefrom, and including but not limited to attorney's fees, caused by the negligent, careless or unskillful acts of the CITY, its agents, servants, representatives or employees, or the misuse, misappropriation, misapplication, or misexpenditure of any source of funding, compensation or reimbursement by the CITY, its agents, servants, representatives or employees, or anyone for whose acts the CITY may be liable.
- (16) By entering into this Agreement, the CITY is not an agent of the STATE, its officers, employees, agents or assigns. The CITY is an independent entity from the STATE and nothing in this Agreement creates an agency relationship between the parties.

- (17) By signing this contract, the contracting parties affirm, for the duration of the Agreement, that they will not violate Federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the Agreement and shall be responsible for all damages resulting therefrom.
- (18) This Agreement may be terminated by the STATE at any time the State Director of Transportation determines that the owner of the proposed facilities will not locate or expand facilities as previously represented. Such termination will occur upon notice of termination from the Director of Transportation to the other party or parties to this Agreement by registered or certified mail, or by other actual notice by the Director to such party or parties. Upon termination, settlement will be made and paid only for such expenditures made prior to termination and which are found to be equitable and just by the Director of Transportation.

GUIDELINES FOR OPERATION**

**SUBJECT: PROCEDURES FOR PROCESSING STATE AND INDUSTRIAL
ACCESS FUNDED COUNTY AND CITY PROJECTS**

No work can be performed and no contracts can be let prior to having a fully executed project agreement, submittal of project plans to Division and notification from the Division that advertisement for bids can be made, or, in the case of negotiated projects, work can begin.

A project agreement will be prepared and furnished to the County/City upon receipt of grant award letter signed by the Director or Governor. The Division will prepare and submit a F-7A Budget Allotment request upon receipt of a project funding agreement at the time it is submitted to the County/City for their execution.

The County/City will submit plans prepared and signed by a registered professional engineer showing work to be performed. Plans must match the project agreement description. It is not necessary for the Division to perform an in-depth review of plans. The County/City will submit a certification signed by a Registered Professional Engineer stating that the plans have been prepared so that all items included in the plans meet ALDOT specifications. The County/City will include a letter certifying that the County/City owns all right-of-way on which the project is to be constructed.

Upon receipt of the executed agreement, the executed F-7A, final plans from the County/City, and right-of-way certification, the Division may notify the County/City to proceed with advertising the project for letting or proceed with work in the case of a negotiated project.

For negotiated projects, the Division will prepare a cost estimate following normal estimating procedures; then reduce each computer generated unit cost by 10%. This will be the amount used by the County/City on their estimate for reimbursement. In the case where a County/City is using an in-place annual bid, the County will furnish the Division a copy of their bid and this bid price will be used for reimbursement.

Where the County/City is letting a contract locally, the County/City will furnish to the Division the three lowest bids with their recommendation for award. The Division will review the bids, and, if in order, advise the County/City to proceed with award of the contract to the lowest responsible bidder. The County's/City's estimate for reimbursement will be based on the bid prices concurred in by the State and supported with documentation that the contractor has been paid for work performed (copy of cancelled check).

A certification will be submitted with County/City final estimate stating that the project was constructed in accordance with final plans submitted to the State and with the specifications, supplemental specifications, and special provisions which were shown on the plans or with the State's latest specifications which were applicable at the time of plan approval.

The County/City will notify the Division when the project is complete and the Division will perform a final ride-through to determine whether the project was completed in substantial compliance with the original final plans. Final acceptance will be made by the Division with a copy of the letter furnished to the Bureau of County Transportation.

All required test reports, weight tickets, materials receipts, and other project documentation required by the specifications, applicable supplemental specifications, and special provisions will be retained by the County/City for a period of three (3) years following receipt of final payment and made available for audit by the State upon request. If an audit is performed and proper documentation is not available to verify quantities and compliance with specifications, the County/City will refund the project cost to the State or do whatever is necessary to correct the project at their cost.

All County/City Industrial Access or State funded projects let to contract by the State will follow normal project procedures and comply with all current plan processing requirements.

Section 2. Obligations of American Behavioral.

(a) Permitted Uses. American Behavioral may only use PHI to provide Administrative Services pursuant to the ASA Agreement; provided, that American Behavioral shall not use PHI except as permitted or required by HIPAA, this BA Agreement or as permitted or required by law. American Behavioral may use PHI: (i) for the proper management and administration of American Behavioral; (ii) to carry out the legal responsibilities of American Behavioral; (iii) as Required by Law; or (iv) for Data Aggregation.

(b) Permitted Disclosures. American Behavioral may only disclose PHI to provide Administrative Services pursuant to the ASA Agreement; provided, that American Behavioral shall not disclose PHI except as permitted or required by HIPAA, this BA Agreement or as permitted or required by law. American Behavioral may disclose PHI to those persons listed on Exhibits A and B, as may be amended from time to time by Employer and/or Plan in writing. American Behavioral may disclose PHI: (i) for the proper management and administration of American Behavioral if such disclosure is Required by Law or if "Reasonable Assurances" are obtained; (ii) to carry out the legal responsibilities of American Behavioral if such disclosure is Required by Law or if "Reasonable Assurances" are obtained; (iii) as Required by Law; or (iv) for Data Aggregation. To the extent that American Behavioral discloses PHI to a third party pursuant to Section 2(b)(i) or (ii) above under Reasonable Assurances, American Behavioral must obtain in writing, prior to making any such disclosure: (x) reasonable assurance from the third party that such PHI will be held in a confidential manner; (y) reasonable assurance from the third party that such PHI will be used or further disclosed only as Required by Law or for the purpose for which it was disclosed to such third party; and (z) an agreement from the third party to immediately notify American Behavioral of any breaches of confidentiality of such PHI, to the extent the third party has knowledge of such breach (collectively, "Reasonable Assurances").

(c) Prohibited Uses and Disclosures. American Behavioral shall not use or disclose PHI for fund-raising or marketing purposes. Unless required by law, American Behavioral shall not disclose PHI to Plan for payment or health care operations if the individual subject to the PHI has requested such restriction and the individual or designee has paid out of pocket in full for the healthcare item or service to which the PHI relates. American Behavioral shall not directly or indirectly receive remuneration in exchange for PHI, except with the prior consent of the Employer and Plan and as permitted by HIPAA; however, this prohibition shall not affect payment by Employer to American Behavioral for services provided pursuant to the ASA Agreement with Employer. American Behavioral shall not de-identify PHI without Plan's prior, written consent. Finally, American Behavioral shall not use or disclose an individual's genetic PHI for Plan underwriting purposes.

(d) Disclosure of PHI to Designated Employees. Employer and Plan hereby authorize and direct American Behavioral to disclose PHI to Designated Employees as set forth in Exhibit A, as may be amended from time to time by Employer and/or Plan in writing. In disclosing PHI to Designated Employees hereunder, Employer hereby agrees American Behavioral may rely solely upon the following representations, warranties and agreements of Plan and Employer:

(i) The Privacy Plan Amendment has been duly adopted by appropriate action of Plan and Employer and is, or will be, in full force and effect on the Effective Date. Plan has included all necessary statements in its notice of privacy practices required by the Privacy Rules to permit Plan and American Behavioral to disclose PHI to Designated Employees. Employer and Plan shall promptly notify American Behavioral of any material modification or amendment to the Privacy Plan Amendment. Employer and Plan shall also promptly notify American Behavioral of any additions to or deletions from the list of Designated Employees.

(ii) Employer shall ensure that only Designated Employees shall use, or have the opportunity to use, PHI provided to Employer by American Behavioral hereunder.

(iii) On and after the Effective Date, Plan, Employer and Designated Employees will comply in all respects with HIPAA and the Privacy Plan Amendment that are applicable to this BA Agreement.

(iv) Designated Employees shall only request PHI from American Behavioral that is the minimum necessary as required by HIPAA to perform the Plan Administrative Services.

(e) Appropriate Safeguards. American Behavioral shall implement appropriate administrative, technical, security and physical safeguards in compliance with the Security Rules as are necessary to reasonably and appropriately safeguard and protect the confidentiality, integrity and availability of electronic PHI that it creates, receives, maintains or transmits in its performance of the Administrative Services pursuant to the ASA Agreement. As required by HIPAA, American Behavioral shall maintain policies, procedures and documentation that address these safeguards and the requirements of HIPAA and which are appropriate to the size and complexity of American Behavioral's operations and the nature and scope of its services.

(f) American Behavioral's Agents and/or Subcontractors. To the extent American Behavioral uses one or more subcontractors or agents to provide services under the ASA Agreement for the benefit of Plan, and such subcontractors or agents create, receive, maintain or transmit PHI, American Behavioral shall first require in accordance with 45 CFR 164.308 and 45 CFR 164.502 that each subcontractor or agent agree in writing to be bound by the terms of HIPAA to the same extent as American Behavioral.

(g) Access to PHI. Upon written notice from Plan, and in accordance with the written policies of American Behavioral then in effect, American Behavioral shall make PHI maintained by American Behavioral in a Designated Record Set available to Plan for inspection and/or copying to enable Plan to fulfill its obligations under 45 CFR 164.524. If a request for access to PHI is delivered directly to American Behavioral, American Behavioral shall promptly forward the request to Plan. American Behavioral shall provide Plan access to a copy of electronic PHI maintained by American Behavioral in a Designated Record Set in accordance with HIPAA.

(h) Amendment of PHI. Upon written notice from Plan, and in accordance with the written policies of American Behavioral then in effect, American Behavioral shall amend PHI maintained by American Behavioral in a Designated Record Set to enable the applicable Plan to fulfill its obligations under 45 CFR 164.526. If a request for amendment of PHI is delivered

directly to American Behavioral, American Behavioral shall promptly forward the request to Plan.

(i) Accounting of PHI Disclosures. American Behavioral agrees to document disclosures of PHI and information related to such disclosures as would be required for Plan to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. Upon written notice from Plan, and in accordance with the written policies of American Behavioral then in effect, American Behavioral shall make available to Plan the information required to provide an accounting of such disclosures. American Behavioral agrees to implement a process that allows for an accounting to be collected and maintained by American Behavioral and its agents or subcontractors in accordance with the time periods specified by 45 CFR 164.528 (except for disclosures occurring prior to the Effective Date). If a request for an accounting of PHI is delivered directly to American Behavioral, American Behavioral shall promptly forward the request to Plan.

(j) Governmental Access to Records. American Behavioral shall make its facilities and internal practices, books and records relating to the use and disclosure of PHI available to the Secretary in a time and manner designated by the Secretary, for the purpose of the Secretary determining American Behavioral's and Plan's compliance with HIPAA.

(k) Minimum Necessary Use and Disclosure Requirement. In accordance with 45 CFR 164.502(b), American Behavioral shall only request, use and disclose the minimum amount of PHI necessary to reasonably accomplish the purpose of the request, use or disclosure. Further, American Behavioral will restrict access to PHI to those employees, subcontractors and agents of American Behavioral who are actively and directly participating in providing Administrative Services and who need to know such PHI in order to fulfill such responsibilities.

(l) Retention of PHI. American Behavioral shall retain all PHI throughout the term of the ASA Agreement and shall continue to maintain the information required under Section 2(i) of this BA Agreement for a period of six (6) years from its creation.

(m) Notification Obligation; Mitigation. During the term of this BA Agreement, American Behavioral shall notify Plan within five (5) days after the discovery of any use and/or disclosure of PHI not permitted by this BA Agreement, a Breach of Unsecured PHI or any material Security Incident. This notification shall include the information required by HIPAA and at a minimum the following information: (i) a description of the facts and circumstances concerning the Breach or Security Incident; (ii) a description of the PHI affected; and (iii) the names and identity of the individual(s) affected. American Behavioral shall take prompt corrective action to mitigate and cure, if feasible, any harmful effect that is known to American Behavioral of an improper use and/or disclosure of PHI, Breach or Security Incident. American Behavioral shall cooperate with Plan regarding any Breach notification to third parties. American Behavioral shall be deemed to discover a Breach of Unsecured PHI as of the first day on which such Breach is known, or should have been known, by American Behavioral. Plan shall provide any breach notifications as required by HIPAA.

(n) Compliance with Standard Transactions. If American Behavioral conducts, in whole or in part, Standard Transactions for or on behalf of Plan, American Behavioral will comply, and will require any of its subcontractors or agents involved with such Standard

Transactions on behalf of Plan to comply, with each applicable requirement of 45 CFR Parts 160 and 162. American Behavioral will not enter into, or permit its subcontractors or agents to enter into, any agreement in connection with the conduct of Standard Transactions for or on behalf of Plan that: (i) changes the definition, data condition, or use of a data element or segment in a Standard Transaction; (ii) adds any data elements or segments to the maximum defined data set; (iii) uses any code or data element that is marked "not used" in a Standard Transaction or are not in the Standard Transactions' implementation specification; or (iv) changes the meaning or intent of the Standard Transactions' implementation specifications.

Section 3. Obligations of Employer.

(a) Notice of Privacy Practices. Employer shall notify American Behavioral of any limitation(s) in the Plan's notice of privacy practices in accordance with 45 CFR 164.520, to the extent that such limitation(s) may affect American Behavioral's use or disclosure of PHI.

(b) Restrictions on Use or Disclosure. Employer shall notify American Behavioral of any changes in, or revocation of, permission by individuals to use and/or disclose PHI, to the extent such changes or revocations may affect American Behavioral's permitted or required uses and/or disclosures of PHI. Further, Employer shall notify American Behavioral of any restriction on the use and/or disclosure of PHI that Plan has agreed to in accordance with 45 CFR 164.522, to the extent such restriction may affect American Behavioral's permitted or required uses and/or disclosures of PHI.

Section 4. Term and Termination.

(a) Term. This BA Agreement shall commence on the Effective Date and will remain effective for the entire term of the ASA Agreement, unless earlier terminated in accordance with the terms herein.

(b) Automatic Termination. This BA Agreement will immediately and automatically terminate without notice upon termination of all ASA Agreement(s).

(c) For Cause Termination Due to Material Breach. Either party may terminate this BA Agreement by notice in writing to the other party, if the other party materially breaches this BA Agreement in any manner and such material breach continues for a period of thirty (30) days after written notice is given to the breaching party by the other party specifying the nature of the breach and requesting that it be cured. A material breach of this BA Agreement shall constitute a breach of the ASA Agreement. If termination of this BA Agreement is not feasible, the non-breaching party shall report the breach to the Secretary if required by HIPAA. Employer and American Behavioral hereby agree that, upon termination of this BA Agreement, the ASA Agreement shall automatically terminate and American Behavioral shall have no further obligation to perform the Administrative Services.

(d) Judicial or Administrative Proceedings. Employer or American Behavioral may terminate this BA Agreement and the ASA Agreement, effective immediately, if: (i) the other party is named as a defendant in a criminal proceeding for a violation of HIPAA or (ii) there is a finding or stipulation that either party has violated any standard or requirement of HIPAA in any administrative or civil proceeding.

(e) **Effect of Termination.** As of the effective date of termination of this BA Agreement, neither party shall have any further rights or obligations hereunder except: (i) as otherwise provided herein or in the ASA Agreement; (ii) for continuing rights and obligations accruing under HIPAA; or (iii) arising as a result of any breach of this BA Agreement, including, but not limited to, any rights and remedies available at law or equity. Upon termination of this BA Agreement for any reason, American Behavioral shall return or destroy all PHI (regardless of form or medium), including all copies thereof and any data compilations derived from PHI and allowing identification of any individual who is the subject of the PHI. The obligation to return or destroy all PHI shall also apply to PHI that is in the possession of agents or subcontractors of American Behavioral. If the return or destruction of PHI is not feasible, American Behavioral shall provide Employer written notification of the conditions that make return or destruction not feasible. Upon notification that return or destruction of PHI is not feasible, American Behavioral shall continue to extend the protections of this BA Agreement to such information, and limit further uses or disclosures of such PHI to those purposes that make the return or destruction of such PHI not feasible, for as long as American Behavioral maintains such PHI. If American Behavioral elects to destroy the PHI, American Behavioral shall notify Employer in writing that such PHI has been destroyed.

Section 5. Indemnity. American Behavioral agrees to indemnify, defend and hold harmless Employer, Plan and their respective owners, officers, employees and agents from any and all claims, penalties, fines, costs, liabilities or damages, including but not limited to reasonable attorneys' fees, arising from or based upon any violation of this BA Agreement and/or HIPAA by American Behavioral or any of its owners, officers, employees, agents and subcontractors. Employer agrees to indemnify, defend and hold harmless American Behavioral and its owners, officers, employees and agents from any and all claims, penalties, fines, costs, liabilities or damages, including but not limited to reasonable attorneys' fees, arising from or based upon any violation of this BA Agreement and/or HIPAA by Employer, Plan or any of their respective owners, officers, employees, agents and subcontractors.

Section 6. Construction. This BA Agreement shall be construed as broadly as necessary to implement and comply with HIPAA. The parties agree that any ambiguity in this BA Agreement shall be resolved in favor of a meaning that complies and is consistent with HIPAA. The terms and conditions of this BA Agreement shall override and control over any conflicting terms and conditions in the ASA Agreement, which are related to the security and privacy of PHI. Except as expressly modified or amended herein, all other terms and conditions of the ASA Agreement shall remain in full force and effect.

Section 7. Captions. The captions contained in this BA Agreement are included only for convenience of reference and do not define, limit, explain or modify this BA Agreement or its interpretation, construction or meaning and are in no way to be construed as part of this BA Agreement.

Section 8. Notice. All notices and other communications required or permitted pursuant to this BA Agreement shall be in writing, addressed to the party at the address set forth at the end of this BA Agreement, or to such other address as any party may designate from time to time in writing in accordance with this Section. All notices and other communications shall be sent by: (i) registered or certified mail, return receipt requested, postage pre-paid; (ii)

overnight mail by a reputable carrier; (iii) facsimile with a copy sent by First Class Mail, postage pre-paid; or (iv) hand delivery. All notices shall be effective as of the date of delivery if by hand delivery and overnight mail, two (2) days following the date of facsimile, or for certified mail on the date of receipt, whichever is applicable.

Section 9. Assignment. This BA Agreement and the rights and obligations hereunder shall not be assigned, delegated, or otherwise transferred by either party without the prior written consent of the other party and any assignment or transfer without proper consent shall be null and void.

Section 10. Governing Law and Venue. This BA Agreement shall be governed by and interpreted in accordance with HIPAA and the internal laws of the State of Alabama, without giving effect to any conflict of law provisions. Any action at law, suit in equity, or other judicial proceeding for the enforcement of this BA Agreement, or any provision hereof, shall take place in the State of Alabama in Jefferson County. Employer, Plan and American Behavioral hereby consent to the personal jurisdiction of the state and federal courts in Jefferson County, Alabama in any dispute arising from or related to this BA Agreement.

Section 11. Binding Effect; Modification. This BA Agreement shall be binding upon, and shall enure to the benefit of, the parties hereto and their respective permitted successors and assigns. This BA Agreement may only be amended or modified by mutual written agreement of the parties; provided, however, that in the event any provision of this BA Agreement shall conflict with the requirements of HIPAA, this BA Agreement shall automatically be deemed amended as necessary to conform to such legal requirements at all times.

Section 12. Waiver. The failure of either party at any time to enforce any right or remedy available hereunder with respect to any breach or failure shall not be construed to be a waiver of such right or remedy with respect to any other breach or failure by the other party.

Section 13. Severability. In the event that any provision or part of this BA Agreement is found to be totally or partially invalid, illegal, or unenforceable, then the provision will be deemed to be modified or restricted to the extent and in the manner necessary to make it valid, legal, or enforceable, or it will be excised without affecting any other provision of this BA Agreement, with the parties agreeing that the remaining provisions are to be deemed to be in full force and effect as if they had been executed by both parties subsequent to the expungement of the invalid provision.

Section 14. No Third-Party Beneficiaries. Nothing express or implied in this BA Agreement is intended to confer, nor shall anything herein confer, upon any person or entity other than Plan, Employer, American Behavioral and their respective successors or permitted assigns, any rights, remedies, obligations or liabilities whatsoever.

Section 15. Independent Contractor. The parties hereby acknowledge that in providing services pursuant to this BA Agreement, American Behavioral is at all times acting as an independent contractor and not as an employee or agent of Employer or Plan.

Section 16. Entire Agreement. This BA Agreement, including the Exhibits, constitutes the entire agreement between the parties with respect to the matters contemplated herein and supersedes all previous and contemporaneous oral and written negotiations, commitments, and understandings relating thereto.

Guy Gunter:

Re: U.S. Bank National Association as Trustee vs.
The Medical Clinic Board of the City of Opelika

Dear Guy:

This is to acknowledge receipt of the summons and complaint and file materials in the above noted case, and assure you that the matter will have our attention.

The suit is styled U.S. Bank National Association as Trustee vs. Dwane A. Edwards, Todd Barker, Opelika ALF, LLC, and The Medical Clinic Board of the City of Opelika, Alabama, and is pending in the United States District Court for the Middle District of Alabama, Eastern Division, being Case No.: 3:16-CV-00650-WKW.

The Plaintiff is claiming damages against Defendants Edwards, Barker, and Opelika ALF, LLC, but no monetary damages are being claimed of the Medical Clinic Board of Opelika, Alabama. The only relief sought against the Medical Clinic Board is for a Receiver to be appointed to manage and operate the assisted living facility known as Cambridge Place on Fox Run Parkway in Opelika. The Medical Board has no objection to the appointment of a Receiver.

As we discussed in our meeting this morning, our firm will represent the Medical Clinic Board of the City of Opelika, Alabama, in this litigation. My fee will be \$175.00 per hour.

Thank you for referring this case to me. I look forward to working with you.
