Subject: Request to close East Thomason Circle .

Mr. Shuman ,

It is time again to request the closing of East Thomason Circle for East Alabama Medical Center. The request is for two dates . The first date is 11/17/2017 from 8:30 AM to 3:00 PM .This is for EAMC's Fall Festival (Gainshare Day) . The second date is 12/1/2017 from 6:00 AM to 5:00 PM. This is for EAMC's Turkey Day. The section of road needing to be close is from Thomason Place to West Thomason Circle . In the past EAMC maintenance and security has handled the traffic and the setting up and removing the barriers for both events. Could this request be added to the next city council meeting ? Thank you for your help with this . Tracy Garner

Public Hearing, Amend Towne Lake PUD Master Plan, Towne Lake Parkway

The public hearing concerns an amendment to the 2000 Towne Lake PUD master plan. The amendment effects 54.7 acres of the 170-acre Towne Lake PUD development. The amendment is to replace the 102-single family-patio home lots and 190 apartment units approved with 127 single family homes; the density decreases from 5.86 dwellings per acre to 2.38 dwelling acres. The request also includes removing a "walking/jogging trail"; the trail was an amenity for residents of the patio homes and apartments. At the September 26th meeting, the Planning Commission voted 6 to 0 (one abstain) to send a positive recommendation to City Council to approve the amendment to the master plan (See Planning Commission report and map attached).

Planning Commission Report

Action Requested: Amendment to Towne Lake PUD Master Plan

Location of Property: Towne Lake Parkway

Property Owner(s): Broadview Properties Family
Blake Rice, PE, authorized representative

Current Land Use: Undeveloped

Current Zoning: PUD (Planned Unit Development)

Staff Comments:

At the January 4, 2000 meeting, the City Council approved the rezoning of the Towne Lakes PUD development. The 170-acre master plan consisted of single family homes, patio homes, apartments and commercial development near Columbus Parkway. Since 2000 about sixty single family homes (15,200 sf to 55,000 sf lot size range, 85' lot width on 58 acres) have been constructed or under construction. Now, the applicant believes single family are more favorable and in greater demand than the patio homes or apartments that were approved on the 2000 master plan. Therefore, the applicant is requesting an amendment to the 2000 Towne Lake Master plan to replace the proposed 102 single family-patio home lots (50' lot width, 5,200 to 7,400 sf range of lot sizes) & 190 apartment units (on 19 acres) with 128 single family homes (60' to 90' lot width, 9,140 sf to 35,700 sf - range of lot sizes on 54.7 acres). (See Current Master Plan and Proposed Amendment Master Plan attached.) The proposed amendment from patio homes & apartments to single family homes decreases the density from 5.86 dwelling units per acre to 2.38 dwelling units per acre. The applicant also requests removing the "walking/jogging trail" as shown on the 2000 Master Plan. The trail primarily provides an amenity to occupants of the patio home and apartments units. The trail is located adjacent to the patio homes and apartment units.

Staff recommendation

The amendment decreases the total 292 dwelling units (patio homes + apartment units) approved in 2000 to 128 units; the density is reduced from 5.86 dwelling units per acre to 2.38 dwelling units per acre for the 54.7-acre area. The proposed change improves compatibility with the existing 60 single family homes and decreases projected traffic volumes entering & existing the neighborhood. **Staff recommends a positive recommendation be sent to City Council to approve the amendments to the 2000 Towne Lake master plan by replacing the patio homes & apartments with single family homes, and remove the "walking/jogging trail" as shown on the 2000 Master Plan.**

At the September 26th meeting, the Planning Commission voted 6 to 0 (one abstain) to send a positive recommendation to the City Council to amend the Towne Lake Master Plan as stated in the above report.

This is a request to advertise for a City Council public hearing for amendments to the master plan.

WHEREAS, the City Council has considered all of the evidence and other matters in relation to said alleged public nuisance.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Opelika, as follows:

1. The City Council hereby finds and determines that the building or structure located at 114 19th Street, Opelika, Alabama, Parcel I.D. Number: 43-09-06-13-2-000-101.000, is unsafe to the extent that it creates a public nuisance to the citizens of Opelika, Alabama, and is due to be condemned and demolished in compliance with §§11-40-30 through 11-40-36 and §§11-53B-1 through 11-53B-16, inclusive of the *Code of Alabama*, and Ordinance No. 116-15 of the City of Opelika, Alabama, which Ordinance is codified at Sections 5-221 through 5-238, inclusive of the *Code of Ordinances* of the City of Opelika, Alabama. The property referred to above is more particularly described as follows:

Lot 52, FIVE POINTS SUBDIVISION, according to and as shown by Totten's Official Real Estate Map of the City of Opelika, Alabama, of record in Town Plat Book 3 at Page 67 in the Office of the Judge of Probate of Lee County, Alabama.

Also being further described as Parcel Number 43-09-06-13-2-000-101.000, according to records maintained in the Lee County Revenue Commissioner's Office.

2. The Mayor is hereby authorized and directed to cause said building or structure to be demolished and removed after the expiration of twenty (20) days from the date of this resolution if an appeal has not been taken to the Circuit Court. The demolition may be accomplished by the municipality by the use of its own forces, or it may be provided by contract for the demolition. The municipality may sell or otherwise dispose of salvaged materials resulting from the demolition. All employees, contractors and duly authorized agents of the City are authorized to enter upon said property for said purpose.

3. Any person aggrieved by the decision of the City Council may, within ten (10) days hereafter, appeal to the Circuit Court upon filing with the Clerk of the Court notice of appeal and a bond for security of costs in the form and amount approved by the Circuit Clerk.

4. Upon the demolition and removal of said building or structure, the Building Official shall make a report to the City Council of the cost. The City Council shall thereafter adopt a resolution fixing the costs which it finds were reasonably incurred in the demolition and removal of said building or structure and assess the costs against said property. The fixing of costs by the City Council shall constitute a special assessment against the lot or lots, parcel, or parcels of land upon which the building or structure was located and shall constitute a lien on the property for the amount of the assessment.

5. The City Clerk is hereby directed to mail, by certified mail, a copy of this resolution to the owners and lien holders of the property as the information appears on the records of the office of the Tax Assessor and in the Office of the Judge of Probate of Lee County, Alabama.

RE: Emergency Repair

In route to Winter Park Florida, to assist with restoration efforts after Hurricane Irma, Truck #762 engine went out and is need of a new engine. Truck #762 is an emergency repair due to the following reasons:

- The current digger truck that is being used in its place cannot set concrete poles safely thereby endangering the safety and well-being of our employees and any citizen that may be in the surrounding area.
- This truck is needed back to meet deadlines to serve new customers, such as Car Tech, and line relocations for Alabama Department of Transportation, both which will require setting several concrete poles.

For the reasons listed above, I am declaring the engine replacement an emergency repair, so we can continue to meet deadlines that our customers want and safely handle our poles to protect not only our employees but the citizens of Opelika and their property.

Sincerely,

Lillie Finley
Purchasing-Revenue Manager
City of Opelika
