WITNESS my hand this the ____ day of December, 2018.

CITY CLERK OF THE CITY OF OPELIKA, ALABAMA

TO: PUBLISHER

Opelika, Alabama 36801

Please publish the foregoing Notice one (1) time in the December ____, 2018 issue of your paper.

CITY CLERK

The applicant's rezoning request is for approximately 5 acres from an I-1, GC-P (Institutional, gateway corridor overlay-primary) zoning district to a C-2, GC-P (office-retail, gateway corridor overlay-primary) zoning district. The surrounding adjacent properties on the north and west are zoned C-2. The C-2 zoning is appropriate for the traffic and surrounding uses in this general area. The proposed C-2 zone would allow more light commercial uses such as offices and governmental uses and allow some auto related uses with conditional approval and would also limit outside storage. The Planning Commission report and map

are attached. At the November 20th meeting, the Planning Commission voted 5 to 0 (one abstain) to send a positive recommendation to CC to rezone the property. At the December 4th CC WS, the City Council reviewed the rezoning request and approved advertising for a CC PH.

City of Opelika Planning Commission Report

Action Requested: Rezoning – approximately 5 acres at 2015 Gateway Drive
from I-1, GC-P to C-2, GC-P

Rezoning

The applicant is requesting rezoning about 5 acres from an I-1 (Institutional) zoning district to a C-2 (office/retail) zoning district. The property would retain the GC-P overlay. The subject properties surrounding this use on the north and west are zoned C-2 as well. The C-2 zoning is appropriate for the traffic and surrounding uses in this general area. This zone would still allow offices and governmental uses. The zone would also allow more light commercial uses to locate in this area. The proposed zoning would only allow many auto related uses with conditional approval and would also limit outside storage.

Staff Recommendation

Planning Staff believes that the rezoning request for the 5 acres from I-1 to C-2 is appropriate. The property could be better developed with the new zoning. C-2 zoning provides additional uses that align better with all the surrounding uses.

Staff recommends Planning Commission send a positive recommendation to the City Council to rezone the property from I-1, GC-P to C-2, GC-P.

At the November 20th meeting, the Planning Commission voted 5 to 0 (one abstain) to send a positive recommendation to the City Council to rezone 5 acres from I-1, GC-P to C-2, GC-P zoning district.

BUSH REZONING 2015 GATEWAY DRIVE I-1, GC-P to C-2, GC-P

The applicant is requesting approval to rezone about 5 acres. The property is the former human resources office located north of the Justice Center.

WHEREAS, contemporaneous with the filing of the “Notice of Dangerous Building, Finding of Public Nuisance and Order to Remedy”, a copy of the same was posted at or within three (3) feet of an entrance to the building on the subject property; and

WHEREAS, a Lis Pendens Notice was duly filed of record in the Office of the Judge of Probate of Lee County, Alabama, as required by Ordinance No. 116-15; and

WHEREAS, notice that the subject property is a dangerous building because it is unsafe to the extent that it is a public nuisance and is subject to demolition and that a public hearing would be held on a certain date was given to all interested parties as required by law; and

WHEREAS, Tuesday, November 20, 2018, at 7:00 p.m. in the City Council Chambers of the Municipal Building, 204 South 7th Street, Opelika, Lee County, Alabama, was fixed as the time and place when and where the City Council will meet to determine whether or not the building located at 112 N. 18th Place is unsafe to the extent that it creates a public nuisance; and

WHEREAS, the City Council of the City of Opelika met on Tuesday, November 20, 2018, at the aforesaid time and place for the purpose of conducting said public hearing; and

WHEREAS, the President of the City Council of the City of Opelika presided over said public hearing and opened the floor for comments from the public and any persons interested in the real property located at 112 N. 18th Place, Opelika, Alabama; and

WHEREAS, the City Council has considered all of the evidence and other matters in relation to said alleged public nuisance.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Opelika, as follows:

1. The City Council hereby finds and determines that the building or structure located at 112 N. 18th Place, Opelika, Alabama, Parcel I.D. Number: 43-09-06-13-2-000-093.000, is unsafe to the extent that it creates a public nuisance to the citizens of Opelika, Alabama, and is due to be condemned and demolished in compliance with §§11-40-30 through 11-40-36 and §§11-53B-1 through 11-53B-16, inclusive of the *Code of Alabama*, and Ordinance No. 116-15 of the City of Opelika, Alabama, which Ordinance is codified at Sections 5-221 through 5-238, inclusive of the *Code of Ordinances* of the City of Opelika, Alabama. The property referred to above is more particularly described as follows:

Lots 69 and 70 in Five Points Subdivision, as shown by a map or plat of said Subdivision, recorded in the Office of the Judge of Probate of Lee County, Alabama, in Town Plat Book 3, Page 67; together with all improvements thereon and appurtenances thereunto appertaining; subject, however, to the existing right-of-way easements granted to Alabama Power Company for electric power lines, poles, appliances, which extends across the above-described property.

Also being further described as Parcel Number 43-09-06-13-2-000-093.000, according to records maintained in the Lee County Revenue Commissioner's Office.

2. The Mayor is hereby authorized and directed to cause said building or structure to be demolished and removed after the expiration of twenty (20) days from the date of this resolution if an appeal has not been taken to the Circuit Court. The demolition may be accomplished by the municipality by the use of its own forces, or it may be provided by contract for the demolition. The municipality may sell or otherwise dispose of salvaged materials resulting from the demolition. All employees, contractors and duly authorized agents of the City are authorized to enter upon said property for said purpose.

3. Any person aggrieved by the decision of the City Council may, within ten (10) days hereafter, appeal to the Circuit Court upon filing with the Clerk of the Court notice of appeal and a bond for security of costs in the form and amount approved by the Circuit Clerk.

4. Upon the demolition and removal of said building or structure, the Building Official shall make a report to the City Council of the cost. The City Council shall thereafter adopt a resolution fixing the costs which it finds were reasonably incurred in the demolition and removal of said building or structure and assess the costs against said property. The proceeds of any monies received from the sale of salvaged materials from the building or structure shall be used or applied against the cost of the demolition and removal. The fixing of costs by the City Council shall constitute a special assessment against the lot or lots, parcel, or parcels of land upon which the building or structure was located and shall constitute a lien on the property for the amount of the assessment.

5. The City Clerk is hereby directed to mail, by certified mail, a copy of this resolution to the owner of the property as the information appears on the records of the office of the Revenue Commissioner and in the Office of the Judge of Probate of Lee County, Alabama.

ADOPTED AND APPROVED this the ____ day of _____ 2018.

TSA CHANGES - ARRIVE EARLY

Please be aware of the recent changes to [TSA screening procedures](#), including the requirement to place powder-like substances over 12oz./350ml in your checked bag when traveling on an international flight to the United States. For more information on powder restrictions, visit delta.com.

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to arrive at the airport at least 2 hours prior to your departure when traveling domestically (within the U.S) and at least 3 hours prior to your departure when traveling internationally. We also encourage passengers to check-in online at delta.com or via the Fly Delta app to help avoid delays.

TRAVELING WITH ANIMALS: POLICY UPDATE

Effective December 18, 2018, to remain compliant with vaccination requirements we are no longer accepting trained service or emotional support animals less than four months of age on any flight. In addition, tickets purchased on or after December 18th will not allow emotional support animals on flights longer than 8 hours. We will refund ticket(s) or waive change fees to make alternate arrangements for the animal(s) if needed. Please note that all flights longer than 8 hours will prohibit emotional support animals starting February 1, 2019 regardless of purchase date.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags starting January 15, 2018. Smart bags with non-removable lithium-ion batteries** will not be permitted as carry-on or checked baggage on any Delta mainline or Delta Connection flight. For more information, please visit our [News Hub](#).

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found [here](#).

FIRST BIOMETRIC TERMINAL IN THE U.S.

Delta Biometrics is now available at Atlanta International Terminal F. This optional, end-to-end experience includes facial recognition technology to make your experience more seamless from curb to gate. If you do not wish to participate in Delta Biometrics, please make a Delta employee or TSA officer aware.

ATL Construction Traffic Update

Please be advised that you may experience roadway traffic delays due to ongoing construction efforts at the South Terminal of Hartsfield-Jackson International Airport (ATL). We recommend that you arrive at least 2 hours prior to your departure time. In addition, customers arriving using commercial transportation such as a hotel or parking service shuttle will be dropped at the North Terminal. WHEREAS, the National Fish and Wildlife Foundation (NFWF) and the Wildlife Habitat Council (WHC), in cooperation with the U.S. Environmental Protection Agency (EPA), USDA Forest Service (USFS), U.S. Fish and Wildlife Service (USFWS), FedEx, Southern Company, Shell Oil Company and BNSF Railway are pleased to offer funding for nation-wide Five Star and Urban Waters Restoration grants; and

WHEREAS, the Five Star and Urban Waters Restoration grant program seeks to develop community capacity to sustain local natural resources for future generations by providing modest financial assistance to diverse local partnerships focused on improving water quality, watersheds and the species and habitats they support; and

WHEREAS, the City of Opelika, Alabama (the “City”) desires to partner with Auburn University to apply to the Five Star and Urban Waters Restoration Grant for a grant in the approximate amount of \$50,000.00; and

WHEREAS, said grant funds will be used to create green infrastructure Code and Ordinance Worksheet to help the community evaluate their local development regulations, develop a grass roots capacity for future partnerships for urban environmental efforts; and

WHEREAS, said grant funds will also be used to employ a part-time

coordinator/educator to manage the grant and to provide project coordination; and

WHEREAS, the City believes itself to be qualified and is willing and able to carry out all activities described in the ADEM grant application; and

WHEREAS, the City will agree, upon award and acceptance of the grant, to the terms of the grant; and

WHEREAS, the City recognizes a 50% match (1:1) requirement for the Five Star and Urban Waters Restoration Grant and will secure matching funds; and

WHEREAS, the 50% match may include a combination of staff, services, materials and supplies, and City funding; and

WHEREAS, most of the local match will be accounted for through “in-kind” services including services from Auburn University, City staff time, and volunteer time from organizations such as the Alabama Cooperative Extension System Water program, Auburn University Landscape Architecture, KOB, Alabama 4-H, local master gardeners and citizen volunteers; and

WHEREAS, the balance of the local match will not exceed \$25,000.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Opelika, Alabama, as follows:

1. That the Mayor is hereby authorized to execute and submit to ADEM an application, in conjunction with Auburn University, for the Five Star and Urban Waters Restoration Grant funds on behalf of the City of Opelika, Alabama, in the approximate amount of \$50,000.00.

2. Upon approval of said application, the Mayor is hereby authorized and directed to enter into and execute a grant Agreement with ADEM for such Five Star and Urban Waters Restoration Grant financial assistance and to further carry out and comply with the terms of the Grant Agreement.

3. That the City hereby agrees to accept the grant funds and to comply with the terms of the grant as well as all applicable laws, environmental requirements and regulations as stated in the Grant Agreement.

4. That the portion of the local match not covered by in-kind services, up to \$25,000, shall be paid from the Unassigned Fund Balance.

5. That the officers of the City and any person or persons designated and authorized by any officers of the City to act in the name and on behalf of the City, or any one or more of them, are authorized to do or cause to be done or performed in the name and on behalf of the City such other acts and to execute and deliver or cause to be executed and delivered in the name and on behalf of the City such other notices, certificates, assurances or other instruments or other communications under the seal of the City or otherwise, as they or any of them deem necessary or advisable or appropriate in order to carry into effect the intent of the provisions of this Resolution and the Grant Agreement.

6. That the Mayor and Controller are hereby authorized and directed to make all appropriate accounting and budget entries necessary to carry into effect the provisions of the attached Agreement.

7. That this Resolution shall take effect upon its passage and adoption by the City Council.

Project: Foundations for Healthy Waterways

Project Description:

The objectives of this project are to extend the current efforts of the Pepperell Branch Watershed Partnership in Opelika, Alabama by integrating green infrastructure (low impact development) practices into both physical and planning environments in Opelika. The recent creation of the Pepperell Branch Watershed Partnership has helped identify implementable best management practices that are based on the goals of water quality improvement and watershed protection, one of which is the use of green infrastructure practices.

Working with local city officials and volunteers, the Alabama Cooperative Extension System Water Program will apply for a grant to extend Opelika's water quality improvement efforts. The ACES coordinator will oversee project management and community engagement.

Grant: 5Star and Urban Waters Restoration Grant

The Five Star and Urban Waters Restoration grant program seeks to develop community capacity to sustain local natural resources for future generations by providing modest financial assistance to diverse local partnerships focused on improving water quality, watersheds and the species and habitats they support.

Website: <https://www.nfwf.org/fivestar/Pages/2019rfp.aspx>

ACES Project Coordinator:

Laura Bell, Alabama Cooperative Extension System Water Program
laura.bell@auburn.edu <mailto:laura.bell@auburn.edu>, 276-730-5712

Proposed Grant Period: June 2019 - May 2020

Outcomes:

1. The creation of a green infrastructure Code and Ordinance Worksheet intended to help the community evaluate their local development regulations to identify revisions that allow (or require) site developers to minimize impervious cover, conserve natural areas and use runoff reduction practices to manage storm water runoff. It will also create opportunities for practitioner listening sessions, citizen participation, and to develop a grassroots capacity for future partnerships for urban environmental efforts.

Many communities across the country are now either required to use Runoff Reduction/Green Infrastructure/Low Impact Development practices or are voluntarily pursuing their widespread implementation to comply with MS4 permits and TMDLs or reduce combined sewer overflows. Using the COW to review local codes and ordinances helps communities identify and remove barriers to these practices, increasing their ability to comply with water quality requirements. These regulatory updates can also help to support local resiliency planning and sustainability planning efforts.

3703

2. The development of three demonstration raingardens in highly visible areas to engage citizens in an understanding of green infrastructure practices and water quality improvement.

A raingarden is a low-cost multifunctional landscape design to catch rainwater and slow, decrease, and improve the quality of storm water runoff.

3. Educational workshops and volunteer events to integrate citizens, practitioners, and students into the creation of green infrastructure practices in their city. The demonstration projects will be accompanied by at least one raingarden workshop available to the community.

The grant requires that partners and volunteers provide a 1:1 match for the grant amount requested. To meet this requirement, and to ensure project excellence, we are partnering with local officials, organizations and volunteers.

Partners

Confirmed partners include:

- ? City of Opelika Engineering Department
- ? Auburn University Landscape Architecture
- ? Alabama Cooperative Extension System Water Program
- ? Keep Opelika Beautiful

Pending partners may include:

- ? The Lee County, AL Master Gardeners
- ? Citizen Volunteers
