8. Citizen Communications

Kurt Hayley of 1101 Willow Run spoke first. Mr. Hayley stated he was opposed to the proposed rental ordinance and listed many reasons including transparency with the process and not being invited to the task force to have input as a local rental property owner and manager.

President Smith then stated for the record there would not be a response from the council during this time as this was not a discussion period, but they are not ignoring the citizens after they speak as it is their time to let the council hear what they have to say only.

Dr. John Stewart of 1100 Willow Run spoke next. Dr. Stewart stated he was opposed to the proposed rental ordinance and listed reasons including more rules and restrictions from government hinder progress and limit freedoms.

Attachment: CM minutes 08-03-21 (4831 : Minutes from the 08-03-21 council meeting.)

Annie Jones of 112 Plum Ave spoke next. Ms. Jones stated she was opposed to the proposed rental ordinance and listed reasons including the landlords not being involved in the process, this being in favor of the tenants only, and asked for the ordinance to be tabled for further discussions.

Haskel Patterson of 305 Etowah Ave spoke next. Mr. Patterson stated he was opposed to the proposed rental ordinance first by asking Dr. Lofton if he owned rental property and President Smith if he lends money to clients that have residential property in the city, and if they do it would be a conflict of interest for them to vote on the ordinance, and it's his opinion they should abstain. Mr. Patterson then listed many different reasons he is personally against the ordinance.

Marrell McNeal of 2500 Willis Ave spoke next. Mr. McNeal stated he was opposed to the proposed rental ordinance and listed reasons including problems with sections of the ordinance itself in listing organizations that do not exist anymore, and giving building inspectors an unhealthy amount of power in determining violations and living conditions.

Cathy Newkirk of 206 Ballard Ave spoke next. Ms. Newkirk stated she was in favor of the proposed rental ordinance and listed reasons including it being on the side of tenants that are being taken advantage of by "slum lords" who do nothing to fix problems, and will give some tenants who are scared to report problems, for fear of retaliation, another outlet to do so.

Chuck Beams of 2013 Evans Drive spoke next. Mr. Beams stated he was in favor of the proposed rental ordinance and his letter he read to the council is attached to the minutes. (See attachment).

Jimmy Hurst of 1108 Blackhawk Drive spoke next. Mr. Hurst stated he was opposed to the proposed rental ordinance and listed reasons including the moratorium on evictions being extended by the President and how the timing of this ordinance could not be worse for landlords and tenants alike.

Joseph Stoyber of 817 N 10th Street spoke next. Mr. Stoyber stated he was opposed to the proposed rental ordinance and listed reasons including being originally from California, and moving to Opelika due to government regulations and overreach causing housing problems there, and this ordinance would be the start of the same things he has seen happen there.

Brad Freeman of 3011 Stillwood Way spoke next. Mr. Freeman stated he was opposed to the proposed rental ordinance and listed reasons including the appeal process of going through the board of appeals, and ultimately the city council "shall" be the final arbitrator without the decision going any further, and how that is not right for any type of progress moving forward.

Sonny Moreman of 264 Carter Street spoke next. Mr. Moreman stated he was opposed to the proposed rental ordinance and listed reasons including being confused on how many inspections are possible and when they occur because the ordinance is not very clear, and also that the ordinance does not apply to Section 8 or public housing.

Susan Bolt of 1401 Fitzgerald Ave spoke next. Ms. Bolt stated she was opposed to the proposed rental ordinance and listed reasons including reading the definition of property rights from the Constitution, according to the Cato Institute, and reminded the council of their duty to the Constitution.

Al Henry of 1302 1st Ave spoke next. Mr. Henry stated he was opposed to the proposed rental ordinance and listed reasons including how he believes the ordinance not applying to Section 8 housing will not solve the problem but will make the problem worse, and only having one building inspector to work the ordinance, the way it is written, is not possible.

Karen Harris of 3211 West Point Pkwy spoke next. Ms. Harris stated she was opposed to the proposed rental ordinance and listed reasons including there being too many holes in the ordinance as it is written, and this will also cause the real estate market to decline because people will start selling their properties because of this.

Sally Phillips of 1102 Willow Run spoke next. Ms. Phillips stated she was in favor of the proposed rental ordinance and listed reasons including figuring up a two dollar a month increase for her as a property owner, and how she would be willing to pay that if it would insure the tenants in Opelika would have safe and secure housing.

Emily Key of 301 Twin Lakes Ave spoke next. Ms. Key stated she was opposed to the rental ordinance and listed reasons including why the city does not just enforce the current ordinance on the books, then also read the definition of optimism, as it is the city's character word of the month, and how this ordinance does not give her optimism.

Buddy Goolsby of 210 Veterans Pkwy spoke next. Mr. Goolsby stated he was opposed to the rental ordinance and listed reasons including the costs involved and added to property owners, and it gives the city too much control over property owners.

Joel Phillips of 1102 Willow Run spoke next. Mr. Phillips stated he was opposed to the rental ordinance and listed reasons including how it will affect the socio-economic part of town, and he would like to see the ordinance tabled and have more cooperation to discuss it moving forward.

Karen Bush of 402 Overlook Dr spoke next. Ms. Bush stated she wanted to speak with the council about the mask mandate approved by the Board of Education, since the council appoints the board members. Ms. Bush stated she is vehemently opposed to the mask mandate, and listed many adverse affects to children including mental health issues, anxiety, depression, etc. due to them being forced to wear masks and social distance in school.

Jordan Benefield of 204 2nd Ave spoke last. Ms. Benefield stated she was opposed to the rental ordinance and listed reasons including how she is a tenant that has been helped out by some of the landlords, that had spoken previously, to be able to afford a place to live in Opelika, and she feels like this ordinance will force people like her to not be able to afford a place to live here.

16. Adjourn

The City Council meeting minutes of August 3, 2021 are hereby adopted and approved this the ____ day of _____, 2021.

President of City Council
City of Opelika, Alabama

ATTEST:

Russell A. Jones
City Clerk

1. Character Trait of the Month - Optimism, hopefulness and confidence about the future or the successful outcome of something.
President Smith asked if there was any other business to come before the council. President Smith then stated that they saw a true form of democracy in that there was no plan to table the rental ordinance, and the council is listening to the people that spoke about it, and they will need to continue to give more of their input going forward because the ordinance is not going to just go away. President Smith also stated that the council does not want to be the court, judge, and jury over this, but everyone needs to also realize that the reason they are talking about this ordinance is not because of the landlords not doing what they are supposed to be doing, but because of the tenants telling them they need help. President Smith closed by asking the landlords to get together with the city, and the council, to get the ordinance fixed. Ms. Norris then asked President Smith if she could speak and President Smith answered yes. Ms. Norris began by thanking everyone that showed up to speak, and agreed that there was not enough transparency in the process, but also acknowledged there are issues with unsafe living conditions in Ward 2 that need to be addressed with something like the ordinance. Ms. Norris then stated the city did not give the citizens a voice in the process, and the landlords present that spoke should have been invited to the table. Ms. Norris also stated another thing that city administration and previous councils could have done better is to create more competition with more affordable housing, and how she will have to lay that at the feet of the Mayor again, because she has met with him several times about affordable housing and he has not pledged to move forward with it. Ms. Norris closed by stating there needs to be more diversity, more transparency in the process, with both landlords and tenants, and she would like another opportunity to give them that. Mr. Allen stated he would like to speak before the meeting ended as well. Mr. Allen then stated, if he was not mistaken, this is not the first time this has been brought up, and asked after the first time for people to come forward and give their input, and they didn't do it then, and possibly won't do it now. Mr. Allen also stated they must do something about the problem, with this not being the first time it has been brought up, so they cannot say they don't know. Someone from the audience started to reply to Mr. Allen when President Smith interrupted reminding people it was not up for discussion. Mr. Allen closed by stating "you knew" and then repeated "you knew". President Smith then asked Emily Key to read the character trait of the month. Ms. Key read the character trait of the month and then President Smith asked for a motion to adjourn.
2. Motion to Adjourn.
The council meeting ended at 8:58 pm.

Attachment: CM minutes 08-03-21 (4831 : Minutes from the 08-03-21 council meeting.)

Good evening,

I wanted to take a minute and write you all in regards to the Rental Property Ordinance. My wife and I have owned several rental units in Opelika for nearly 15 years. We are committed to offering clean, safe, well-maintained single-family homes to families in Opelika. We've had some great tenants over the years; many of them have moved on and stay connected through social media. It's neat to see them move on with their lives, knowing that we provided them a place to call home along the journey. Kathy and I would have no issues with Mr. Kappelman and his staff inspecting our houses to establish that they are safe and habitable. We support this ordinance and think it is a significant step forward for our City.

First, let me begin by saying the vast majority of landlords in Opelika are following the rules and keep their property in good condition and will welcome this ordinance. They understand that "to whom much is given, much is required," and they will not oppose the small fee and registration required by this new ordinance.

I have read the entire ordinance, and I find this excerpt from the Purpose section to be most impactful, "to correct and prevent housing conditions that adversely affect the safety, general welfare and health of the residents; to preserve the value of land and structures throughout the City of Opelika; to provide certain minimum housing standards necessary to the health and safety of residents; and to enhance the quality of life of residents of the City living in residential rental units." This is precisely what we need!

I'm amazed at the folks that have stood up in opposition to this ordinance. I've seen the yard signs opposing the ordinance. The tagline for their movement is "Save Affordable Housing!" I think it should read "Save a small group of wealthy property owners bottom line!" or "Save unsafe housing!". If those in opposition to this ordinance want to save affordable housing, they would get behind this legislation and push to have unsafe and dilapidated housing cleaned up. They can all pitch in a small amount and help move our City forward. A City that has afforded them a very lucrative rental market that keeps pushing the vacancy rates lower and lower. They can help us get rid of houses without hot water, functioning smoke alarms, and homes where windows are painted or screwed shut. Houses where mold has overtaken the structure because the rain pours in through holes in the roof. Houses where rodents run out due to holes in the floors and walls. Places where raw sewage spills into the yard due to problems that started years ago. Now take a minute and picture those same conditions with a precious seven-year-old second-grader right in the middle of it all. I know it's hard to think about, but we must. These conditions happen right here in the City we call home, and you have a chance tomorrow night to start turning the tide. We can not let a few slumlords throw their perceived weight around and intimidate us. The tenants (Opelika citizens) deserve better.

Some would say this ordinance is an overreach of local government. I disagree. The Attorney General of Alabama approved these regulations, and the goal is to improve the safety and wellbeing of the citizens you serve. I bet these same folks are quick to ask for a home inspection every time they buy a new house. They want their families safe, and they want the issues all fixed before they move in. So what's the difference for those citizens who choose to rent? Do they not also deserve the same type of inspection? The same safeguards? I think they do.

Some would say this is going to drive out the poor. I disagree. This is about making our rental housing options safe, period. This argument is frustrating to me and is manipulation at its finest. This twist of words is a play on emotions. So, they want you to be motivated by fear and not act so that our citizens in the low-income housing sector can continue to live in unsafe and unhealthy conditions. Yeah, that

makes a lot of sense. These landlords are freaking out at the thought of Mr. Kappelman crossing the thresholds into these houses because they know the truth. They know that these houses are awful, and they would all be embarrassed if we placed a picture of these shacks next to a picture of their face in the Sunday edition of the OA News. We must improve these houses or have them replaced. Good affordable, safe housing will always be needed. The keyword is safe. They must be safe before they are affordable. These landlords use a backward model of affordable, then safe, which benefits them, and this needs to change.

Are we also surprised that the Lee County Realtor Association is opposed to the ordinance? Not at all. They want these houses to stay right where they are, and I'll let you read between the lines on that one. I know you understand that the majority voice of this organization comes from our neighbors to the west, in a town that requires landlords to have business licenses and pay fees. The slumlords know this, and they take advantage of our lack of rules, rules that can change tomorrow night.

In closing, I would encourage you all to be courageous and to do the right thing. Think about the citizens you serve, both landlords and tenants. Would the simple periodic inspection of rental houses not be the right thing for the common good of our City? Inspections that will keep living conditions safe for all regardless of social-economic status. I would also encourage you to be Opelika-focused and vision-oriented. Don't let the loud voice of a few landlords cloud that vision. Don't let their pocketbook motives derail us when we have a chance to move this great City forward.

Remember our mission, "The purpose of the City of Opelika is to improve the quality of life of all the citizens of Opelika, through the improvements of community services..."

Thank you for allowing me to share my thoughts, and thank you for your service to Opelika,

Chuck Beams

CITY CLERK

The applicant is requesting rezoning 26,780 square feet from R-1 to C-3. The applicant is requesting to rezone 26,780 square feet from R-1 to C-3. The rezoning property was a northern portion of a larger R-1

zoning district (rural) as shown on the 1991 zoning map. The property was sold to the adjacent property owner (Manav Hospitality, current owner) that fronts along Columbus Parkway, but the property has remained an R-1 undeveloped lot. The rezoning property is part of the proposed RaceTrac commercial development that involves 5 lots; the other four adjacent lots are zoned C-3. At the June 22nd meeting, the Planning Commission voted 7 to 0 to send a positive recommendation to CC to rezone the property. The Planning Commission report and maps are attached.

City of Opelika Planning Commission Report

Action Requested: Rezoning - from R-1 to R-3

Property Owner(s): RS Hospitality LLC, Manav Hospitality, and Pina Investments, LLC
Bert Boykin and Martin Evans, authorized representative for RaceTrac Petroleum, Inc.

Current Zoning: R-1

Proposed Zoning: C-3 (general commercial)

Existing Land Use: Commercial

**Surrounding Zoning Districts
And Land Uses:**

North	C-3, GC	Commercial
South	C-3, GC	Undeveloped
East	C-3, GC	Undeveloped/Commercial
West	C-3, GC	Commercial

Rezoning

The applicant, RaceTrac Petroleum LLC, is requesting to rezone a 26,780 square foot lot from R-1 to C-3. The rezoning property was a northern portion of a larger R-1 zoning district (rural) as shown on the 1991 zoning map. The property was sold to the adjacent property owner (Manav Hospitality, current owner) that fronts along Columbus Parkway, but the property has remained an R-1 undeveloped lot. The rezoning property is part of the proposed RaceTrac commercial development and under contract for sale as the other four adjacent lots; the other four lots are zoned C-3. The property is required to be rezoned C-3 so a zoning violation does not occur. If the rezoning property is rezoned to C-3 the property will be added to the adjacent C-3 properties. After RaceTrac acquires ownership of the five properties then the five lots will be combined into one lot for the RaceTrac development. The adjacent properties on all sides of the rezoning property are in a C-3 zoning district.

Staff Recommendation

Planning Staff recommends Planning Commission send a positive recommendation to the City Council to rezone the property from R-1 to C-3.

At the June 22, 2021 meeting, the Planning Commission voted 7 to 0 to send a positive recommendation to City Council to approve the rezoning request.

RACETRAC REZONING 1109 COLUMBUS PARKWAY FROM R-1 TO C-3, D-4

The applicant is requesting rezoning a 26,8 square foot lot. The lot will be combined w adjacent lots in a C-3, GC-P zoning district.

Proposal:

The applicant, Opelika Industrial Development Authority, is petitioning the City to vacate an unnamed right-of-way between Lots 5, 6, and 8A of Fox Run Industrial Park, First Revision, First Addition. The applicant is requesting to vacate this right-of-way as they no longer wish to develop the lots as previously platted. The vacation of this right-of-way will leave Lot 5 without access, but the applicant is working to combine the lots. The subdivision application is expected to come before the Planning Commission next month for review. Other portions of this right-of-way have been previously vacated due to reconfiguration of lots. The applicant wants all of the property adjacent to the proposed segment to be vacated. (See location of unnamed street on plat attached.)

Staff recommends the Planning Commission send a positive recommendation to City Council to approve the vacation of a portion of the un-named right-of-way of between Lots 5, 6, and 8A of Fox Run Industrial Park, First Revision, First Addition.

At the May 25th meeting, the Planning Commission voted 7 to 0 to send a positive recommendation to City Council to vacate the unnamed street as described in this report.

To: The Honorable City Council of Opelika

Subject: Emergency Repairs for Substation 7

Dear Council,

OPS would request an emergency resolution to facilitate the timely repair of a substation transformer repair for our Substation #7. Both the transformer in service and the spare transformer at that substation were damaged due to a lightning storm on July 27, 2021. This is the only substation that is served by a 46 kV transmission line and therefore we have no other substation transformers that will work. We tried to find a used transformer from many different sources but none that would fit in our substation footprint or were the right voltages.

After exhausting every resource and vendor on buying an existed transformer, it was decided that our best option was to have a new transformer built that met our specifications. Solomon Corporation provided the best quote with the shortest lead time. The total cost of the transformer is \$120,164.00.

This substation is critical for public safety because it is the only source of electricity to one of Opelika Utilities water plants located on Lake Harding. This transformer will allow us to provide a more reliable source of electricity once installed.

Kindest Regards,

ORDINANCE NO. (ID # 4782)

Adopting a Registration and Inspection Program for Residential Rental Properties - 2nd Reading
- TABLED.

ORDINANCE NO. _____

**ORDINANCE ADOPTING A REGISTRATION AND INSPECTION
PROGRAM FOR RESIDENTIAL PROPERTIES BEING RENTED
WITHIN THE CITY OF OPELIKA, ALABAMA**

BE IT ORDAINED by the City Council of the City of Opelika as follows:

Section 1. That Chapter 12 of the *Code of Ordinances* of the City of Opelika, Alabama, is hereby amended by adding an article to be numbered IV, which said article shall read as follows:

ARTICLE IV

RESIDENTIAL RENTAL PROPERTY REGISTRATION AND INSPECTION

Sec. 12-40. Title.

This article shall be known as the Residential Rental Property Registration and Inspection Code of the City of Opelika.

Sec. 12-41. Legislative Findings.

The City of Opelika does hereby find and declare that:

(a) The Alabama Uniform Residential Landlord and Tenant Act, Act No. 2006-316, codified as Sections 35-9A-101 et seq, 1975 *Code of Alabama*, became effective on January 1, 2007;

- (b) Sections 35-9A-102(b) states that one of the purposes of the Act is to encourage landlords and tenants to maintain and improve the quality of housing;
- (c) Sections 11-40-10(b) authorizes a municipality to enforce police or sanitary regulations within the city limits and to prescribe fines and penalties for violations of the regulations;
- (d) Section 11-45-8(c) authorizes a municipality to adopt ordinances, rules and regulations as a code for the construction, erection, alteration or improvement of buildings, the installation of plumbing or plumbing fixtures, installation of gas or gas fixtures, fire prevention, health and sanitation, mechanical, housing, elimination and repair of unsafe buildings and other like codes;
- (e) Section 35-9A-204(a)(1) requires a landlord to comply with the requirements of applicable building and housing codes materially affecting health and safety;
- (f) Section 35-9A-301(1) requires a tenant to comply with all obligations primarily imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety;
- (g) Pursuant to Section 11-45-1, a municipality is authorized to adopt ordinances not inconsistent with the laws of the state to provide for the safety, preserve the health, promote the prosperity and improve the morals, order, comfort and convenience of the inhabitants of the municipality;
- (h) In Opinion No. 207-009, dated October 31, 2006, the Attorney General issued an opinion to Mayor Ronald K. Davis of the City of Pritchard that a municipality has the authority to adopt an ordinance (1) requiring the annual inspection of apartments and rental houses to ensure compliance with the local building code, (2) charging a reasonable fee to defray the expense of performing the inspections, and (3) charging a reasonable fine or revoking the certificate of occupancy of any apartment or rental house failing to comply with the local building code;
- (i) There is a need to protect the public health, safety, and welfare of the occupants of residential rental dwelling units in the City of Opelika;

(j) The City Council of the City of Opelika (the “City”) recognizes that the preservation of existing rental housing stock is of tremendous importance. There are more than 4,500 of rental housing units within the City. Rental housing provides needed, affordable housing for many and is a valuable asset that must be preserved and maintained. The City has a significant interest in ensuring that rental housing remains a safe and desirable housing option for its citizens.

(k) There exists in the City substandard and unsanitary residential buildings and rental housing units whose conditions violate state and local building, housing, and safety Codes and ordinances. Property owners may be unaware of some hazardous conditions or may choose not to make the necessary repairs due to costs.

(l) Substandard and deficient rental housing units are unfit or unsafe for human occupancy and their conditions jeopardize the health, safety, and welfare of their occupants and of the public. Substandard housing conditions pose a particularly acute risk to young children (from lead poisoning or asthma attacks from mold and other air-borne irritants), seniors (from falls), and people with chronic illnesses.

(m) Relying on a complaint-based enforcement program is inadequate to ensure that rental housing properties are safely and adequately maintained. Inspection authorities often do not receive complaints about rental units with the worst violations of health and safety codes. Tenants may fear being evicted or that their rent will be raised for reporting violations or may face language or education barriers preventing them from using complaint-based programs.

(n) Deteriorating and substandard buildings and dwelling units also threaten the physical, social, and economic stability of neighboring structures and surrounding neighborhoods and the community as a whole. By ensuring that landlords are aware of poor conditions before they worsen, proactive inspections encourage preventative maintenance, which is more cost effective than deferred maintenance, and thereby helps landlords to maintain their properties. Proactive rental inspection programs can ensure that properties don’t become blighted, thereby preserving neighboring property values and the local tax base.

(o) Public interest demands that all rental housing properties comply with the minimum standards regarding the health and safety of the public. The most effective way to seek universal compliance with the minimum standards is through routine, periodic inspections of all rental housing properties.

(p) Residential rental dwelling units are in need of inspection by the Building Official to prevent deterioration and to maintain safe, decent, and sanitary living conditions for the tenants of such units.

The City of Opelika now seeks to adopt regulations of the type approved by the Attorney General to provide for the safety and preserve the health of persons residing in rental housing.

Sec. 12-42. Purpose.

The purpose of this article is to ensure that rental housing in the City is maintained in a good, safe and sanitary condition and does not create a nuisance or blighted condition to its surroundings; to protect the character and stability of residential areas; to identify the existence of substandard residential rental properties; to correct and prevent housing conditions that adversely affect the safety, general welfare and health of the residents; to preserve the value of land and structures throughout the City of Opelika; to provide certain minimum housing standards necessary to the health and safety of residents; and to enhance the quality of life of residents of the City living in residential rental units. With respect to rental disputes, it is not the intent of the City of Opelika to intrude upon contractual relationships between tenant and landlord. The City of Opelika does not intend to intervene as an advocate for either party, nor to be receptive to complaints between tenants and landlords which are not specifically and clearly relevant to the provisions of this article. In the absence of such relevancy with regard to rental disputes, it is intended that the contracting parties exercise such legal remedies as are available to them without the intervention of the City of Opelika.

Upon receipt of a citizen-based complaint, the Building Official shall inspect the pertinent residential rental dwelling unit and/or areas of the residential rental property. All violations shall be corrected with all City required permits, approvals and inspections and re-inspections within the time specified on the notice and order of the Building Official in order to maintain a current rental occupancy certificate for a residential rental property. Sec. 12-55. Exemptions From Inspection Requirement.

Newly constructed residential rental dwelling units shall be exempt from the inspection provisions of Section 12-51 for a period of seven (7) years from the date the certificate of occupancy is issued by the Building Official. Sec. 12-56. Inspection Fees.

(a) The owner of the residential rental dwelling unit shall pay to the City a fee of fifty dollars (\$50.00) for the initial inspection and one (1) reinspection of the unit to verify that substandard conditions have been corrected in accordance with Section 12-52. The owner shall be assessed a fee of twenty-five dollars (\$25.00) for each additional follow-up reinspection.

(b) If a residential rental dwelling unit has been occupied without a rental occupancy certificate having been issued in violation of this article, the owner of the residential rental dwelling unit shall pay to the City the following fees:

administrative regulations shall not be inconsistent with the provisions of this article.

Sec. 12-58. Suspension of Rental Occupancy Certificate.

- (3) the owner fails to comply with a requirement of this article;
- (4) the owner fails to comply with other City permitting requirements; or

(b) A suspension is effective until the Building Official determines that the owner complies with:

- (1) the requirements of this article;
- (2) an order of the Building Official or court of competent jurisdiction; or
- (3) a notice of violation.

(c) While under suspension, an owner may not lease or otherwise allow vacant rental units to be occupied and may not lease or otherwise allow an occupied rental unit to be occupied by new

tenants.

(d) The Building Official must give notice to the owner of his intent to suspend the rental occupancy certificate issued under this article.

(e) The notice required by this section may specify a reasonable time for compliance under this article. If a time for compliance is specified, the Building Official may not suspend before the time for compliance has expired.

(f) If the rental occupancy certificate is suspended, the Building Official must give notice to the tenants.

Sec. 12-59. Revocation of Rental Occupancy Certificate

(a) The Building Official may immediately revoke a rental occupancy certificate that has been suspended pursuant to Section 12-58 (Suspension) if the Building Official determines:

(1) a condition that is dangerous or impairs habitability exists at the rental property during the suspension period; and

(2) the owner fails to take remedial action to correct the condition.

(b) Even if the certificate of rental occupancy certificate has not been suspended, the Building Official may immediately revoke the certificate issued under this article if an order to vacate the rental property is issued by the Building Official or a court of competent jurisdiction.

(c) After the rental property is compliant with the Property Maintenance Code, the Building Official may reinstate the rental occupancy certificate for the time specified in sections 12-51 and 12-54.

Sec. 12-60. Appeals.

All denials, suspensions, revocations and decisions of the Building Official shall be final and binding upon all parties unless the property owner appeals to the Property Maintenance Board of Appeals. Any person receiving a notice of an adverse decision, including denial of a rental occupancy certificate, notice of suspension, or notice of revocation, and wishing to appeal the same shall file a written notice of appeal in the office of the Building Official within ten (10) days from the date of notice of the adverse action. The notice of appeal must contain a brief statement of the facts that support the appeal and why the Building Official's decision should be reversed. The hearing on the appeal to the Property Maintenance Board of Appeals shall be held within thirty (30) days of the notice of appeal. The decision of the Property Maintenance Board of Appeals shall be final.

Sec. 12-61. Penalties For Violation.

Violation of the provisions of this article or failure to comply with any of its requirements shall constitute a misdemeanor. Any person who violates this article or fails to comply with any of its requirements shall, upon conviction thereof, be fined not more than five hundred dollars (\$500.00) or imprisoned for not more than one hundred eighty (180) days, or both, and in addition shall pay all costs and expenses involved in the case. Each day such violation continues shall be considered a separate offense. Nothing herein contained shall prevent the City from taking such other lawful actions as are necessary to prevent or remedy any violation.

Sec. 12-62. Injunctive Relief and Civil Remedies.

(a) If a person has violated or continues to violate the provision of this article, the City may petition the appropriate court for a preliminary and/or permanent injunction restraining the person from activities which would create violations of this article or compelling the person to perform corrective action and/or remediation of any violation.

(b) The City may also initiate civil proceedings in any court of competent jurisdiction seeking monetary damages resulting from any violation of this article and may seek other equitable relief to enforce compliance with the provisions of this article or to enforce compliance with any lawful orders of the Building Official.

Sec. 12-63. Liability.

Nothing contained in this article is intended to be nor shall be construed to create or form the basis for any liability on the part of the City, or its officers, employees, or agents, for any injury or damage resulting from the failure of an owner of property or land to comply with the provisions of this article, or by reason and in consequence of any inspection, notice, order, certificate, permission or approval authorized or issued or done in connection with the implementation or enforcement of this article, or by reason of any action or inaction on the part of the City related in any manner to the enforcement of this article by its officers, employees or agents.

Sec. 12-64. Severability.

Severability is intended throughout and within the provisions of this article. If any section, clause, sentence or phrase of this article is held to be invalid or unconstitutional by any court of competent jurisdiction, then such holding shall in no way affect the validity of the remaining portion of this article.
